Model No. 00834

Model No. 00838

Carrying Cases

Padded Nylon “Grab N Go” cases, made of tough durable nylon, enables VOM to be stored for quick field use ... test leads remain in panel jacks.

Thick padding protects meter.

Available in yellow (00832) and black (00834) and Orange (00838) for 260 series or similar size meters; (00836) for smaller models.

Roll-Top case (00248) made from thermoset phenolic with roll down front panel is used only on models 260-8, 8P or model 270-5.

Model No. 00836

Model No. 00248

Carrying Cases Test Equipment Accessories
